**My friend Soniya / Saniya from Dubai. Except for her hard work... the case of 17 Indians facing Death Penalty and 1700 others would not have come to the lime light. She is special. Humanity survives due to people like her.**

[Sanyia Kirpalani](#) Amanjot for records, I never graduated. I married young, had my baby right away but I put myself through school through scholarships on my own. Today I am working towards a fellowship thanks to British Council UAE. Even in films, I never learnt film making; inspired by women like Guvinder Chadha and Mira Nair, I started learning my craft through EDN scholarships four years ago. Trust yourself

[Sanyia Kirpalani](#) Singh Atwal Sahibji, Please let me clear the name of the people who came from the Gurdwara and the Ex MP from London. THEY HELPED. They tried visiting the prisners, but were blocked, I have their interview with Binduji on record- will put it out for u to see how they tried. THEY WERE STONEWALLED. NAVkiran sir can verify this, he too has faced the pettiness of the IE here. They stood outside the embaassy for hours-waiting for an appointmet (which had been confirmed) and even the the Consul General Verma didnt meet him.

[Sanyia Kirpalani](#) They went another day again- and even though one of them were running high fever, but the Consul still made them wait outside for four hours and didn't see them. They went begging and meeting every community member here- from Agarwaal to Oberoi to the topmost office in this town. They got only platitudes je. I would hate to see honest people's name sullied, hence with all humbleness I am speaking up. I dont mean any rudeness.

[Ajmer Singh Randhawa](#) @Sanyia ji, Jesbir uppal is a female not a male, it shows as her contribution is nil as your comment. But i like your spirit and the way you thanked all.
